High School Renovation

Plan Con

Next week we are looking forward to completion of the band room, room 118, and room 115, with exception of the book cases under the windows in room 115. Once these rooms are completed we will be shifting in order to open up other rooms.

Energy Saving

The damaged boiler has been repaired. However, we are requesting it be put on line and be operational with the other boiler shut down to be sure everything is operating correctly. To this date this has not been done.

Budget Meetings

This is a reminder that the budget meetings are set for April 22 and May 13, 2014, at 7:00 p.m. in the elementary library.

Talent Night Benefit Concert

I am pleased to announce that we had a very successful talent night benefit concert this evening! The program was well attended and we raised \$2000 in donations for Nita White!!!

Nita was in attendance and very grateful for the support of the community.

Thanks to the students who performed and thanks to our "vote counters."

Our top two winners were:

Karlie Ward, First Place
Shad Gordon, Second Place

PSSA Testing

Student testing in Grades 3-6 is slated to be completed on March 27, 2014. Students who were absent will have an opportunity to complete missed sections during the week of March 31st. We will begin PSSA Writing testing during the week of March 31, 2014 for students in grade 5. Students are working diligently on their exams. Many thanks to our Southern Fulton PTA for supplying snacks and juice for testing days with two exams scheduled.

Art Show

Ms. Cleveland is working with students to prepare for the upcoming art show on April 6, 2014. This event is a combined endeavor with the High School and will be held on Sunday, April 6, 2014, from 12:00PM to 3:00PM. Student artwork will be showcased around the building. Various students will be demonstrating art activities and the PTA will be selling various food items.

Storyteller

Mrs. Linda Hartman, will be sharing stories with students in grades K-6 on Monday, April 7, 2014. She will keep an emphasis on bullying concerns and other safety items in her assemblies. We appreciate her offer to bring her assembly to our school for free! She will also be visiting family in the area while in our district.
