

Administrative Bulletin to Board Members January 29, 2016

Superintendent Report

Weather

We made it through the big storm with only losing one day of school. The makeup day will be Friday, February 12, 2016. For the new board members, I look at two websites, the weather channel on TV, talk with the superintendents in the IU, and talk with supervisors for all 5 townships before making a decision. It is also important to note that when deciding to delay or cancel, the decision must be made by 5:45 a.m. The first bus leaves at 5:50 a.m.

Vacancy on The Public School Employees' Retirement System Board

If any of you are interested in serving on the board for The Public School Employees' Retirement System Board please review the attached letter.

Educational Foundation

I would like to make sure you are aware that the Southern Fulton Educational Foundation is having a banquet and auction to raise money on April 2, 2016. I am sure Danny and Tim will be more than happy to sell you a ticket to this awesome event. Some of the big items to be auctioned off are Steelers vs Ravens game, three day fishing trip at the Eastern Shore, one day sailing trip on the Chesapeake Bay, a number of student produced items, professional art work and many others.

Executive Session Prior to February Worksession

If it is acceptable with everyone I would like to meet at 7:00 p.m. on February 16, 2016, prior to the board's work session for personnel issues regarding the superintendent position. We will be meeting in the faculty room.

High School Dean of Students Report

District Band

Four Southern Fulton students left to represent the school at District band this week. They are traveling to Curwensville for the festival, and will be competing to move on to the Regional level.

Spirit Week

Spirit Week was a huge success, with great participation across the board. The Class of 2016 won the Spirit Cup for the third consecutive year, in spite of a strong challenge from two other grade levels!

Elementary Dean of Students Report

Citizenship Reward

The students that received an A or B in Citizenship for the 2nd Marking Period earned the reward of a fun afternoon on Tuesday. They had many activities to choose from. They could choose to play approved computer games in the computer room, read in the library, paint murals or do various art activities, dance, ride scooters, play ladder ball or cornhole toss, play basketball, watch a movie, or play board games. In addition, they had the special treat of playing in the snow. Mr. Brambley even brought his dog sled. He showed the students what to do and they took turns being the “dogs,” sitters, or mushers as they glided the sled back and forth across snow. Furthermore, the PTA provided popcorn for the students as a snack. Everyone pitched in and helped where it was needed. The custodial staff needs recognized as well because the day of fun made extra work for them, but they were very helpful in helping the afternoon run smoothly.

Technology Specialist

Grade Calculations

I extracted information from Powerschool and calculated class ranks for the sixty seniors. That information was given to Mrs. Solomon and Mrs. Hendershot. I also extracted information from Powerschool and calculated weighted percentages for students in grades ten thru twelve. This information was given to Mrs. Dickerhoff for national honor society consideration (must have at least 95%). A copy was also provided to Mrs. Solomon and Mrs. Hendershot.

Southern Fulton Education Foundation

I added the link <http://sfedfoundation.org> to our website. I created an email address: sfedfoundation@sfsd.k12.pa.us for Anita Munson to use for anything related to the foundation.
