### *Elementary Principal Report*

#### **Reward Store**

We have started a reward system in the elementary school where the students have the chance to earn “American Indian Wampum.” They earn this wampum in various ways. It could be from a “caught being good” action, an excellent grade, or from showing a great deal of improvement, to name just a few things. At the end of each month the students will have an opportunity to spend their wampum in the reward store. If they choose to save their wampum to use during another month to “buy” a more expensive reward, they will be able to do so.

#### **SuccessMaker**

Students will soon be able to use the SuccessMaker Computer Reading and Math program at the elementary. Sixth grade will be using the computer lab next week to complete their Classroom Diagnostic Testing. Once that is complete, the lab will be open for all the grades to begin using the SuccessMaker program as well as all other programs used with our curriculum.

### *High School Principal*

#### **Book Club**

The student/staff book club is up and running for the year. There were 17 people that came to the first meeting and the students selected the first book of the year. The Book Club meets at 7:30 a.m. in Mr. Breslin’s room.

#### **Pennsylvania State Police**

The PSP have been to the HS several times and continue to investigate the vandalism that occurred over the summer. They have questioned several additional students and will continue to make frequent visits to the building.

#### **Picture Day**

Underclassmen pictures were taken by LifeTouch.

#### **Student Assistance Program**

The SAP team has started their bi-monthly meetings and I am pleased to announce that we have several new members of the team. These faculty members are willing to give up their lunch to meet with our Laurel Life liaison at 12:00 p.m. on Thursdays.

#### **Teacher Observations**

I have started teacher observations for the 2016-2017 school year.

## *Supervisor of Education*
