

Administrative Bulletin to Board Members September 23, 2016

Superintendent

Non-Resident Student Transportation

Policy 202 verbiage was approved by Robin Binder Heath.

Deb contacted Pennsylvania Department of Education and we are not reimbursed for non-district residents.

Bus #13 has 70 students. It is a 72 passenger bus. I will contact the parent and allow his child to ride the bus home.

Greenhouse

I reached out to Central Fulton School District to see if they are interested in purchasing the greenhouse.

CPI Training

The IU has lowered their rate for CPI training to \$20.00 per person. As part of the Dean of Student's job description he is required to attend the Train the Trainer CPI Workshop. The cost is approximately \$3000.00. My recommendation would be to use the IU for this training and save the \$3000.00.

Buildings and Grounds Committee Reminder

The Buildings and Grounds Committee will meet Monday, September 26, 2016, at 5:00 p.m. at the high school.

Chaperone Drivers

Regarding the liability of the chaperone drivers to the Wallops Island trip, Robin suggested we collect proof of insurance and have the student's sign a waiver.

Superintendent's Symposium

I will be attending the Superintendent Symposium on September 28th through 30th sponsored by the IU. All nine regional superintendents will be in attendance. So I'm looking forward to this opportunity for more learning.

Mold Issue

John Bain has been out sick all week so there is no mold update at this time.

High School Principal

Organ Tissue Donor Awareness Mini Grant

Southern Fulton was one of seven Pennsylvania secondary schools who applied and received the OTDA mini grant for the 2016-17 school year. The September 2016 OTDA Essential Newsletter is attached.
