Dear Guidance Counselor and Student,

The Pennsylvania JCI (Junior Chamber International) Senate is an organization affiliated with the Pennsylvania Jaycees and the United States JCI Senate. Together, we promote leadership training through community involvement and believe "that service to humanity is the best work of life." Our commitment to working with our communities and serving others is the basis for our scholarship program.

The Pennsylvania JCI Senate annually sponsors a scholarship for senior students who are residents of Pennsylvania. We will be awarding **two \$500 scholarships** this year. The applications of these two recipients will then be forwarded to the United States JCI Senate Foundation for consideration to receive an additional national grant of \$1000. In the last seventeen years, sixteen Pennsylvania students have also received one of these \$1000 national grants.

**The scholarship application is available on the U.S. JCI Senate website. Go to <http://www.usjcisenate.org> and click on "Scholarship Program" in the top header for the link to the application.**

Each student needs to submit only one copy of the completed application and appropriate attachments to me (via postal mail), for judging. If chosen as a Pennsylvania recipient, I will submit that application to the United States JCI Senate Foundation Scholarship Committee. (The same application is used for both PA and US judging.)

There is no limit to the number of student applications that can be submitted by each school district.

**The completed application, with all appropriate attachments, must be returned to me postmarked by January 15, 2016.**

Sincerely,

Jeri M Stoehr
