Board President

Dear Parents,

At the August 21, 2017 board meeting, a policy was approved to include an activity fee for students participating in co-curricular programs. Students participating in a co-curricular activity are subject to the district activity fee.

Each year participants will be assessed a \$50.00 fee for athletics, marching band and cheerleading. Those students participating in the musical, chorus and FFA will be assessed \$25.00. There is a \$100.00 cap per year. The fee must be paid prior to the first event in order for the student to be permitted to participate. If a coach/advisor removes a student from the team for just cause during the season or if a student quits, no refund will be provided.

Fees can be mailed or remitted to your child's head coach/ advisor or to the Southern Fulton High School secretary via check or money order made payable to the Southern Fulton School District with reference made to the Activity fee and child's name in the memo. Please include the invoice below with your payment. It is not necessary to prepay for the year, we will collect fees each season. All the funds collected will be used to build and maintain successful school programs.

Sincerely,

Tara Will
Superintendent
